Confucius' Birthday

Confucius was born on September 28, 551 BC in Qufu, Shandong Province, China. He traveled all over China teaching philosophy and ethics. Confucius taught 5 basic virtues people should have. These are kindness, honesty, politeness, wisdom, and faithfulness. He lived by what is known as The Golden Rule – Do unto others as you would have others do unto you.

Confucius was a politician and held several political offices in his home state of Lu. He was very successful as a community leader. He got rid of crime and changed for the better the way many things were done. He was such a successful leader that other leaders became afraid of his power and had him removed from office. After that he spent the rest of his life teaching. Confucianism became the major way of thinking in China and formed the basis for Chinese society. He became known throughout the world. Confucius died at the age of 73 in 479 BC.

INDEPENDENT STUDY

Independent Study contracts are not granted the first 4 weeks, the last two weeks of the school year, or during our state testing (this applies to K-6).

If a student is going to be absent from school for three or more consecutive days, you may request that they be placed on an Independent Study Contract.

This contract must be signed by the student and parents prior to leaving school. All assignments are to be written on the contract.

Independent study work can be picked up NO EARLIER than 24 hours prior to the start of the independent study period.

Parents must make the request at least one week in advance for approval to allow teachers enough time to prepare the work and contract.

All Independent Study work is due the day the student returns to school. If the work is incomplete the attendance record would reflect unexcused absences.

Independent Study does **not** count toward perfect attendance.

Approval is subject to the principal's discretion.

Independent Study contracts are subject to state guidelines and may include, but are not limited to, rules regarding minimum duration, maximum duration, and virtual distance learning support and/or participation. Updated information can be provided to parents upon request.

CONTACT THE SCHOOL OFFICE TO REQUEST AN INDEPENDENT STUDY BEFORE TAKING YOUR CHILD OUT OF SCHOOL. THE SCHOOL CAREFULLY REVIEWS ALL INDEPENDENT STUDY REQUESTS PRIOR TO APPROVING TO ENSURE THAT THE TIME AWAY FROM SCHOOL WOULD NOT ADVERSELY IMPACT THE STUDENT.
