District School Boundary Revisions

Clovis Unified school attendance boundaries are in the process of being revised in the anticipation of the 2025 opening of a new high school area . Initial drafts of updated maps are now available online for review. Maple Creek is anticipated to experience changes under the proposals. There is expected to be a new portion of attendance boundary added to our school. To learn more, access comment form and stay updated, visit cusd.com.

Cultural Corner Chinese New Year

Chinese Lunar New Year, also known as Chinese New Year or Spring Festival, is the largest holiday throughout China and has been commemorated for thousands of years. This holiday marks the dawn of a new year based on the lunar calendar and corresponds with many myths and rituals. Chinese New Year is dedicated towards honoring ancestors casting out evil spirits and praying for good fortune.

Preparations for the New Year begin well in advance before the actual date of the holiday. As the year comes to an end, there is a tendency for people to organize and to declutter in hopes of a fresh start. A popular custom is decorating windows and doors with red paper couplets. Everyone will change into new outfits for the festive period.

Chinese New Year is a family-centered holiday, so those living far away from their families return home before the holiday. Family members gather around a big table to enjoy a New Year's Eve dinner, known as Nian Ye Fan. Other activities involve lighting firecrackers, watching lion and dragon dances, and exchanging money in red paper envelopes.
