Cultural Corner

World Kindness Day

In 2010, at the request of Michael Lloyd-White, the NSW Federation Parents and Citizens Association wrote to the Minister of The NSW Department of Education to place World Kindness Day on the NSW School Calendar.

In 2012, at the request of the Chairman of World Kindness Australia, World Kindness Day was placed on the Federal School Calendar and then the Minister of School Education, Early Childhood, and Youth. The Hon Peter Garrett provided a Declaration of Support for World Kindness Australia and placed World Kindness Day on the National School Calendar for over 9000 schools.

Schools across the globe are now celebrating World Kindness Day and work with local NGOs such as the Be Kind People Project and Life Vest Inside In the USA. In 2012 in Australia, Marie Bashir, Governor of New South Wales, hosted an event for the first time at Government House to celebrate World Kindness Day and accepted a Cool To Be Kind Award from year 3 & 4 students. Australian Councils representing over 1.3 million residents have also signed Declarations of Support for World Kindness Australia placing World Kindness Day on the Council Calendar of Events.

Events include THE BIG HUG, handing out Kindness Cards, Global Flashmob, which was coordinated by Orly Wahba from the US and was held in 15 countries and 33 cities with its images of the event making the big screens in New York City. Canada celebrates with The Kindness Concert and in Singapore in 2009, 45,000 yellow flowers were given away. In 2017 World Kindness day was also celebrated in Slovenia, organized by volunteering organization Humanitarček as part of their project Randomised Kindness.

Positivity Project

This week we are learning and celebrating

Gratitude

You are aware of and thankful for good things that happen.

"For me, every hour is grace. And I feel gratitude in my heart every time I can meet someone and look at his or her smile."

~ Elie Wiesel

Musical Instruments

Maple Creek is so fortunate to be able to provide high level instrumental music classes for our 5th and 6th grade students. To help ensure your child's success in these classes, please remember that instruments should be brought to school every Tuesday and Thursday. Instruments should be brought to school by the student at the start of the day. Parents, please help support this by reminding students to bring their instruments with them to school, rather than you bringing them to the office later in the day. The office will not be able to accept late instruments on an ongoing basis. Thank you for your support!
