## GATE Announcement

Welcome to GATE for the 2018-2019 school year. I am so excited to be the advisor to all of you. I have taught GATE 4 times over the past 15 years in Clovis Unified and I have fond memories!

This year our focus will be on enlarging objects or signs. We will be working in teams to create these enlargements. Teams will pick from signs, symbols, objects, and even buildings/structures. We will create a two-dimensional drawing of and we will create a three-dimensional model of it. We will be doing quite a lot of math, measuring, and building.

There will also be a research component that you will do in between each meeting and you will be expected to contribute to our conversations each morning.

Meeting dates and times: **We will meet every 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of each month in room 6 at 7:30am.** Please arrive on time. So for the month of November and December we will meet:

November: 28<sup>th</sup>

December: 5<sup>th</sup> and 19<sup>th</sup>
