

# Maple Creek Robotics

## 2020-2021

### Two competitive levels

- **Jr .FLL Team:** 1st -4th graders (ages 6-10)
- **FLL Team:** 4th-6th graders (ages 9-14)

Each team consists of 4-6 members and 2 coaches  
\*FLL Team may have up to 10 members

### Join Our Robotics Teams and You Will Learn:

- Learn basic physics principles
- Develop basic engineering skills
- Learn a programming language
- Design, build, and program a working robot
- Create a related research project
- Learn teamwork and communication skills
- Compete in a high-energy tournament environment
- Build a local robotics learning community

### Robotics Q&A Zoom Meeting

**When:** Thursday, April 30, 2020

**Time:** 6:00pm

**Zoom Link:** <https://cusd.zoom.us/j/92094851773?pwd=K0RTN2ZiNnRjS2FkMHdYWU5ybklKdz09>

Meeting ID: 920 9485 1773

Password: Ogzj3X

**Please first review the power point for all general info regarding robotics**
