Students not picked up on time (left on campus after 4:00) will receive one (1) warning.

Students not picked up on time a second time will receive one (1) accountability check.

Students not picked up a third time will receive one (1) accountability check.

Any student not picked up a fourth time in one sport season will be removed from the team and not be allowed to participate in the remainder of the athletic season.

It is important for your child's safety and our campus that you arrange to have your child picked up after sports' practices end each day by 4:00. Thank you for your cooperation in this matter.
