Digital Citizenship

Maple Creek is committed to integrating technology into the classroom and this year, our teachers are hosting discussions with students to cover the importance of Digital Citizenship. Digital Citizenship is the way a person behaves while using technology-being **SAFE, RESPECTFUL, AND RESPONSIBLE** while online. Parents are encouraged to partner with us and promote health habits at home. Here are some parenting tips for helping our students become good Digital Citizens.

PTC Corner

Wondering how to stay connected with other parents and teachers during remote learning? Join our family directory! Information can be found at MapleCreekPTC.com.

PARENTING TIPS

Talk with Your Kids

- Stay calm, talk early and often, be open and direct.

Educate Yourself

- Search online for anything you don't understand.
- If your child tries new technology, TRY IT WITH THEM.

Use Parental Controls

- Use parental controls on your children's phones, tablets, and game consoles.
- Keep track of your child's screen time and how it is being used.

Set Ground Rules

- Create a Family Media Agreement.
- Set time and place limits for tech usage.

- Be Consistent about enforcing expectations you have set.

Seek Balance

- Friend your kids on social media, but don't stalk them!
- Balance respecting your child's online space with preparing them on how to be safe and how to behave online.
- Instill in them your values and the importance of a good online reputation.

Be a Good Digital Role Model

- Know when to unplug.
- Model positive online behavior for your kids.
- Balance online communication with face to face time.

Thank you for partnering with us to promote good Digital Citizenship and keep our Huskies safe as they use technology in the classroom and at home.
