Strive for 5

We hope this time finds everyone healthy and safe! Although this year has been anything but normal, we are taking the next two weeks to hold our annual Associated Student Body fundraiser Strive for 5! Like most things, this year's fundraiser will look a little bit different. Students will still participate in our Fitness Frenzy activity when permitted in the Spring (last year was so much fun!!!). Please click on the Strive for 5 poster listed below or scan the QR code to find out all of the details. If our students meet the school-wide goal we will be hosting an Epic Drive-By Light Parade in front of Maple Creek on October 15th!! Please consider participating in this year's event which will be encouraging school spirit, kindness and community!

*Permission click will be live on Monday!!

Celebrations Around the World

Mid Autumn Moon Festival

There are many festivals throughout Asia that fall exactly in the middle of the autumn season. In China, this festival is known as the Mid-Autumn Moon Festival or the Harvest Moon Festival. In Vietnam, the day is called Trung Thu.

This day is a national holiday in China and is celebrated in the Far East and in Asian communities throughout the world. It is held in the middle of the month of September. The wheat has been gathered in North China and the rice has been harvested in South China. During the Moon Festival, the moon looks bigger, brighter and closer to Earth than at any other time of the year. The festival honors the female goddess of the moon.
