## School Safety

Keeping our school safe is a joint effort. It is up to all of us to follow and ensure that the rules set in place for safety are being observed. We can all be proactive in maintaining a safe school environment. We are asking for your support in the following ways:

### Sign In

Please sign in at the front office and get your volunteer / visitor ID badge prior to going to your child's classroom regardless of how quick you anticipate your visit will be. This expectation is set forth in our school site Safety Plan reviewed and approved by our parents and submitted to the district and state. Signing in helps us to notice when there is someone on campus that should not be.

### Hallways

Please remain out of the hallways before and after school. We strive to get our students into their classrooms in an efficient and safe manner. Extra adults in the hallway takes the teachers' focus off of students. We ask the same for dismissal time. Please do not enter the hallway for dismissal any earlier than 2:55. If you have a parent conference with your child's teacher, please check in at the office.

### If you see something, say something

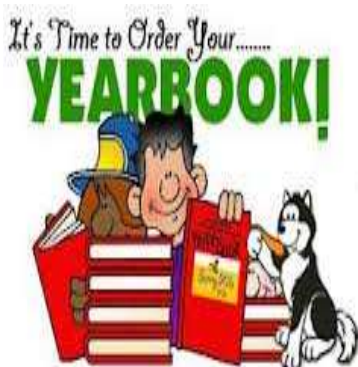

Alert the office or staff members if you see something suspicious or if something on our grounds seems unsafe. Please let us know right away.

Please remember that our staff will be holding to these policies as it is our goal to keep our students safe. You may be stopped by staff and asked if you have signed in or where you are headed.

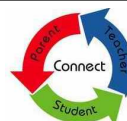

As stated earlier, school safety is everyone's concern and each of us play a vital role in keeping our school safe. We thank you in advance for following our procedures and appreciate your partnership in maintaining a safe school environment.
